

# SharePoint

## CHAOS DISMISSED.

Agility of your faculty means proficiency for your students. Get training with SharePoint from *Montana's Official Training Provider™* and see just how uncomplicated everything could be.

**Microsoft** Partner  
Silver Learning

### Share.

Connect with all employees - use SharePoint to engage, share ideas and reinvent the way you work.

### Organize.

As a team or individual, SharePoint helps you organize information, people and projects.

### Discover.

SharePoint makes it easy to find answers, discover insights and connect with experts.

### Build.

Developers and web designers can create new experiences with familiar tools.

### Find a course and start sharing.

SharePoint 2013 - Site Collection and Administration with Special K-12 Education Pricing!

COURSE

“We’ve conducted online training for our SharePoint installation two times through IKUW. Both times were extremely productive. Not only is Tom a great trainer, but he knows SharePoint in and out. *I typically end the training with about 125% of what I expected to learn.*” - HEATHER KAHLER/PFL
